## *A NOTE ABOUT THE BEST PROVISIONERS WE WORK WITH*

Great pub food starts with great ingredients. That's why we work with Walter Rose & Son, a fifth generation family butcher in Devizes and La Chasse, who have supplied game and venison for more than 30 years; Creedy Carver's free range Devon ducks and Brue Valley's hand churned Somerset butter.

They know their craft, they care about what they do, and quite simply, they supply some of the best produce we've come across.

## *DID YOU KNOW?*

The Queen's Head has stood in the heart of Broad Chalke for centuries, serving a village with roots dating back to Saxon England (around 900 AD).

Broad Chalke appears in the Domesday Book of 1086, and the historic All Saints Church includes parts built in the 13th century. The surrounding Chalke Valley has been shaped by farming and settlement for over a thousand years, much of it unchanged to this day.

Pubs today are closing every day and the reason they shouldn't is because they are as much a celebration of important local history as they are places for respite, connection, and purpose.

You being here makes pub closures less likely. So thank you.
